Dear Community Partner,

On behalf of the Board of Directors of the Muscogee County Medical Society, I invite you to sponsor the **2027 Spring Forward Social**, to be held **Friday, March 12, 2027**, at Green Island Country Club in Columbus.

The Spring Forward Social brings MCMS physicians, healthcare leaders, and community partners together for an evening of connection and conversation. It is a relaxed setting where colleagues across specialties meet, mentor, and network, and where sponsors can build relationships face to face.

Sponsorships begin at **$850**, with three levels available: **Magnolia**, **Azalea**, and **Dogwood**. Each level includes recognition at the event, on MCMS social media, and in *The Bulletin*, the MCMS publication produced since 1953 and now delivered to members by email. Higher levels add exhibit tables, larger *Bulletin* ads, and recognition during opening remarks. Please see the Event Details and Sponsorship Levels pages for more information.

Since 1905, MCMS has given physicians a place to meet, address community health challenges, share new therapies, and speak with a united voice. Your support helps us continue that work for the physicians and patients of our community.

We look forward to welcoming you this spring.

Sincerely,

Marzena Buzanowska
